

High quality introduction to knowledge management

 [Hong Kong Polytechnic University](#) buys DNV-CIBIT e-learning Master Class Knowledge Management. Starting in November 2004 the students of the Polytechnic University Library in Hong Kong can lent the e-learning Master Class KM on a CD-Rom.

In this way the library gives its student easy access to a high quality introduction to knowledge management.

More information

For more information on possibilities for your organisation or library please contact Programme Manager [Maartje Mikx](#) by e-mail or telephone +31-30-2308900.
